

TREASURE VALLEY AAU BASKETBALL GYM USE EXPECTATIONS

The Treasure Valley AAU League has a special privilege in using the public schools for practices and games. It is our duty to respect the facilities and grounds. Everything should be left as you found it. Visitors are expected to:

- Sweep the gym floor before and after practice
- Pick up ALL trash and clean ALL spills
- Supervise children at all times and in all areas, including the gym, bathrooms and outside areas.
- Contact information & practice schedules will be emailed to the school's Athletic Director & each coach prior to your first practice. Please call the Athletic Director before your first practice; introduce yourself & verify your practice times.

If any damage or vandalism occurs during your visit, it should be reported to the custodian before you leave. Then, contact the YMCA the next morning at 855-5711.

The gym will be opened 5 minutes prior to the first scheduled practice time. Your practice time is only ONE HOUR. Do not arrive early and do not go over your assigned practice time.

ONLY team members who are participating are allowed at the school for practice. If other children attend, they **MUST** be under supervision by their parents at all times.

NO Food or Drink is allowed, except bottled water.

BASKETBALLS are only allowed in the gym. The hallways are off limits unless you need to use the bathrooms.

The coach or team parent needs to check both bathrooms and gym area for cleanliness and be sure that everyone has exited the building.

As a Treasure Valley AAU Coach, I agree to abide by the above conditions/expectations, and I understand that if these conditions/expectations are not met, the facility will no longer be available to my team.
